A Stoffus - World design, foi fundada em 2004, tendo como base a estrutura de uma equipa com mais de 20 anos de experiência no desenvolvimento e construção de sofás em pele e tecido no mercado português.

Em 2020, a STOFFFUS afirma-se no mercado com uma das principais marcas, sendo uma empresa criadora de tendência e moda a nível internacional, estando presente nos mais conceituados certames. Para dar resposta aos novos desafios, constrói uma nova unidade fabril dotada das mais modernas tecnologias de ponta, aumentando a sua capacidade de Investigação e desenvolvimento, qualidade e produção.

A empresa aposta numa simbiose de qualidade, design, conforto e durabilidade dos seus produtos como forma de proporcionar aos seus clientes a melhor solução final.

Qualidade | Conforto | Ergonomia | Durabilidade

Ao adquirir um produto Stoffus, está a escolher um artigo de elevada qualidade, elaborado com as melhores matérias-primas e os mais rigorosos padrões de fabrico, garantindo-se um elevado nível de conforto, ergonomia e durabilidade. Todos os componentes são selecionados tendo em vista a proteção do meio ambiente, assim como a saúde de cada utilizador. Deste modo, as madeiras, espumas, componentes e revestimentos utilizados são comprados aos melhores e maiores produtores mundiais. O centro de controlo de qualidade Stoffus analisa cada peça produzida onde depois de se certificar da conformidade de cada sofá lhe coloca um selo de garantia.

A experiência de cada operário e formação contínua contribui para um produto com elevados padrões de qualidade.

Ao eleger um produto Stoffus, está a usufruir de um produto de elevada qualidade, fabricado em Portugal, contribuindo para o desenvolvimento do espaço europeu.

ENG

Stoffus - World Design was founded in 2004 by a team with over 20 years of experience in developing and constructing leather and fabric sofas for the Portuguese market.

In 2020, STOFFFUS established itself as one of the leading brands in the market, creating trends and setting fashion at an international level. We proudly participate in the most prestigious events. To meet new challenges, we have built a state-of-the-art factory equipped with modern technologies, significantly enhancing our research and development capabilities, as well as our production and product quality.

At Stoffus, we believe in a perfect balance between quality, design, comfort, and durability. Our commitment is to provide our customers with the ultimate solution.

Quality | Comfort | Ergonomics | Durability

When you choose a Stoffus product, you are investing in a high-quality item crafted from the finest raw materials, adhering to strict manufacturing standards, and ensuring unparalleled comfort, ergonomics, and durability.

We meticulously select all components with a strong focus on environmental sustainability and the health of our users. Our woods, foams, components, and fabrics are sourced from the world's best and largest producers. Each piece undergoes rigorous analysis at our Stoffus quality control center, where we ensure its conformity before placing our guarantee seal.

Our skilled workforce, backed by continuous training, contributes to the production of items that meet the highest quality standards.

By choosing a Stoffus product, you are not only acquiring a premium product manufactured in Portugal, but you are also contributing to the development of the European space.

For more information, please visit our website at www.stoffus.pt, where you can access our catalogues, price lists, and technical information.
